Love is crowned triumphant only in the home where a baby completes the tie of matrimony. A childless marriage cannot be a happy one. It takes the final tie of a baby to bind two souls to gether in marriage for better or for worse. Without this final tie a wedded couple lack the indissoluble interest that makes daily self-sagrifice not only a possibility, but a pleasure.

There are to-day thousands of homes all over the country that were once childless and unhappy, but that to day echo with the laughter of happy babyhood, as a result of a marvelous medicine, known as Dr. Pierce's Favorite Prescription. This is the greatest of all medicines for women who sufferer from weakness and disease of the delicate and important organs that bear the burdens of maternity. It makes them use and trille. It allays inflammation, heals ulceration, soothes pain and tones and builds up the shattered nerves.
